EDUCATION

PhD in Economics University of California, Berkeley	2024 – Present
MSc in Econometrics and Mathematical Economics London School of Economics <i>Distinction</i>	2023
BS (Research) in Mathematics Indian Institute of Science <i>First Class with Distinction</i>	2022

PUBLICATIONS

-
- ▷ *On a Class of Strategy-proof Social Choice Correspondences with Single-peaked Utility Functions* (with Soumyarup Sadhukhan). **Journal of Mathematical Economics**. December 2023.

POSITIONS

-
- | | |
|---|-------------|
| • Ministry of Finance, Government of India
Office of the Chief Economic Advisor, Department of Economic Affairs | Summer 2026 |
| • University of California Berkeley
RA to Andrés Rodríguez-Clare | Summer 2025 |
| • Yale School of Management
Tobin Fellow, RA to Kosuke Uetake and Soheil Ghili | 2023 – 2024 |
| • Game Theory Lab, Indian Institute of Science
Researcher in Computational Social Choice | 2021 – 2022 |
| • Indian Institute of Human Settlements
Data Intern | Summer 2022 |

FELLOWSHIPS AND GRANTS

Fulcrum Project Fellowship	2025
UC Berkeley Economics Department Award	2024
FTX Future Fund Regrant	2022
KVPY Fellowship by the Government of India	2018 – 2022
NTSE Scholarship by the Government of India	2016 – 2017

OTHER ACTIVITIES

- **Contributing Editor, *In Development*** 2026 – Present
Online magazine on issues and progress in the developing world
- **Forecasting** 2021 – Present
Professional forecaster, RAND Forecasting Initiative (2021 – 2023); Member of Samotsvety Forecasting
- **reallifelaughtrack.substack.com** 2022 – Present
Game theory and public policy blog
- **Chief Editor, *Quarks*** 2021 – 2022
The IISc Undergraduate Student Magazine

SERVICE

- **Delegate, UC Berkeley Graduate Assembly** 2025 – 2026
Economics department delegate and member of the Graduate Economics Association
- **Organizer and Instructor, *Monsoon Math Camp*** 2020, 2021
Organized a large online summer mathematics camp for talented high-school students; taught a course on computability, logic, and Gödel's Incompleteness Theorems
- **Coordinator, *Samasya*** 2019 – 2020
The IISc Undergraduate Mathematics Club

PAST ACADEMIC AWARDS

- **Simon Marais Mathematics Competition: Merit List** 2018, 2019, 2020, 2021
Annual mathematics competition in the Asia-Pacific and European regions in the spirit of the Putnam; achieved the Merit List every year
- **Madhava Mathematics Competition: Merit List** 2018
Selected for and attended Madhava Nurture Camp at CMI, conducted by HBCSE and CMI
- **Cleared National Linguistics Olympiad, Indian National Astronomy Olympiad, Regional Mathematics Olympiad, India** 2018
Attended: Linguistics Olympiad Camp at IIIT, Hyderabad (National top ~30),
Astronomy & Astrophysics Olympiad Camp at HBCSE, Mumbai (National top ~30),
Indian National Mathematical Olympiad Camp at ISI, Bangalore (State top ~50)
- **IIT JEE Advanced All India Rank 467** 2018
